RESURFACING 1.8 MILES OF COUNTY ROUTE 626 TO BEGIN MONDAY

Overlay Construction in Edgewater Park, Beverly Expected To Take 2 Weeks

The resurfacing of a 1.8-mile stretch of County Route 626 through Edgewater Park and Beverly is scheduled to begin Monday, July 30.

The milling and overlay are expected to take two weeks to complete and will include construction on Mount Holly Road (CR626) from NJ Route 130 to Bridgeboro Road in Edgewater Park, then continue on Beverly-Bridgeboro Road (CR626) in Edgewater Park to Warren Street (543) in Beverly.

Traffic will be maintained with one lane alternating. Motorists can expect delays and are encouraged to find alternative routes during construction.

American Asphalt Co., Inc. /Jersey Construction, Inc. – A Joint Venture of West Collingswood has been contracted to perform the construction as part of the County's 2011 State Funded Overlay Program.

This is one of 16 roads scheduled to be resurfaced in the Program that will overlay a total 23.7 miles of County roads in 16 municipalities at a cost of \$7.2M. It is expected that 68,000 tons of asphalt will be needed to complete all construction scheduled for the program.

The county highway network includes 508.4 miles of county roads, 364 bridges, 700 culverts, more than 243 traffic control devices and 17,000 signs.
