FREEHOLDERS APPROVE 2011 ROAD RESURFACING PLAN

26.7 Miles Along 17 County Roads In 16 Municipalities Scheduled For Repaving

The Freeholders today approved County Engineer Joseph T. Brickley's 2011 Road Resurfacing Plan to repave a total of 26.7 miles along 17 county roads in 16 municipalities at an estimated cost of \$6,504,000.

The County has been notified that it will receive \$4,504,000 from the NJ Department of Transportation through its NJ Transportation Trust Fund. The remaining \$2M will be funded by the county's annual bond ordinance.

"Funding for these projects has decreased but we anticipate receiving bids for reduced costs of the project, thus we can provide safety and maintenance improvements on the same level as year's past," Freeholder Deputy Director Joseph B. Donnelly said.

The County plan for 2010 was to resurface 17 county roads in 15 municipalities for a total of 29.7 miles at a cost of \$7.8M. The county highway network that includes 508 miles of county roads.

The largest construction project in the 2011 Plan is resurfacing 5.4 miles of Stokes Road (County Route 541) from Jackson Road in Medford, through Medford Lakes to Oakshade Road (CR534) in Shamong.

Other county roads scheduled to be resurfaced as part of the 2011 Plan include:

- 1.5 miles of Tuckerton Road (CR622) from Stokes Road (CR541) in Medford to Oakshade Road in Shamong
- 3.8 miles of East Main Street/Tuckerton Road (CR620) from Walden Road in Evesham to Heath Road in Medford
