PUBLIC INVITED TO REVIEW PLANS ON JUNE 6 FOR CINNAMINSON PROJECT

Roundabout Proposed To Improve Safety At Riverton-Branch-Parry Intersection

Freeholder Joseph B. Donnelly announced today that a public information session will be held Wednesday, June 6 from 4-7 p.m. to solicit public comments for the proposed intersection improvements to Riverton Road, Branch Pike and Parry Road in Cinnaminson.

The public information session will be held at the Cinnaminson Community Center at 1621 Riverton Road in Cinnaminson. Staff from the County Engineer's Office will be present to answer questions and have drawings of the proposed project available for review.

A modern roundabout design has been proposed. This design would consolidate the three stop-controlled intersections of Riverton Road at Branch Pike, Riverton Road at Parry Road, and Branch Pike at Parry Road to create one four-legged modern roundabout.

The plan involves minimal acquisition of additional property. Construction is expected to begin in 2013.

Riverton Road and Branch Pike are county roads, while Parry Road is a township road.
