The Grounds at Smithville Mansion

803 SMITHVILLE ROAD, EASTAMPTON, NJ 08060

The crown jewel of the Burlington County Parks System, Smithville Park was once a thriving company town founded in the 1800s by Hezekiah B. Smith, an inventor, entrepreneur and politician who lived in the stately mansion that remains on the property.

Built in 1840, the Greek revival building is surrounded by stone and brick courtyard walls that encompass a formal parterre garden, grape arbor and lawn areas. While the mansion is not available for rent, the courtyard grounds within the walls may be reserved for catered affairs.

A 40x80 foot tent that can accommodate up to 160 people, lighting and electric, parking and accessible bathrooms are included with the rental. Landscaping varies during the year
