(OR)

- iii. No residual dwelling site opportunities have been allocated pursuant to the provisions of N.J.A.C. 2:76-6.17. No residential buildings are permitted on the Premises except as provided in this Deed of Easement.

For the purpose of this Deed of Easement:

"Residual dwelling site opportunity" means the potential to construct a residential unit and other appurtenant structures on the Premises in accordance with N.J.A.C. 2:76-6.17.

"Residual dwelling site" means the location of the residential unit and other appurtenant structures.

"Residential unit" means the residential building to be used for single family residential housing and its appurtenant uses. The construction and use of the residential unit shall be for agricultural purposes.

"Use for agricultural purposes" as related to the exercise of a residual dwelling site opportunity and the continued use of the residential unit constructed thereto, means at least one person residing in the residential unit shall be regularly engaged in common farmsite activities on the Premises including, but not limited to: production, harvesting, storage, grading, packaging, processing and the wholesale and retail marketing of crops, plants, animals and other related commodities and the use and application of techniques and methods of soil preparation and management, fertilization, weed, disease and pest control, disposal of farm waste, irrigation, drainage, water management and grazing.

In order for the Grantor to receive approval, the Grantee and Committee must find that the division shall be for an agricultural purpose and result in agriculturally viable parcels. Division means any division of the Premises, for any purpose, subsequent to the effective date of this Deed of Easement.

- i. For purposes of this Deed of Easement, "Agriculturally viable parcel" means that each parcel is capable of sustaining a variety of agricultural operations that yield a reasonable economic return under normal conditions, solely from each parcel's agricultural output.

16. In the event of any violation of the terms and conditions of this Deed of Easement, Grantee or the Committee may institute, in the name of the State of New Jersey, any proceedings to enforce these terms and conditions including the institution of suit to enjoin such violations and to require restoration of the Premises to its prior condition. Grantee or the Committee do not waive or forfeit the right to take any other legal action necessary to insure compliance with the terms, conditions, and purpose of this Deed of Easement by a prior failure to act.

17. This Deed of Easement imposes no obligation or restriction on the Grantor's use of the Premises except as specifically set forth in this Deed of Easement.

18. This Deed of Easement is binding upon the Grantor, the Grantor's heirs, executors, administrators, personal or legal representatives, successors and assigns and the Grantee; it shall be construed as a restriction running with the land and shall be binding upon any person to whom title to the Premises is transferred as well as upon the heirs, executors, administrators, personal or legal representatives, successors, and assigns of all such persons.

19. Throughout this Deed of Easement, the singular shall include the plural, and the masculine shall include the feminine, unless the text indicates otherwise.

20. The word 'Grantor' shall mean any and all persons who lawfully succeed to the rights and responsibilities of the Grantor, including but not limited to the Grantor's heirs, executors, administrators, personal or legal representatives, successors and assigns.

21. Wherever in this Deed of Easement any party shall be designated or referred to by name or general reference, such designation shall have the same effect as if the words, 'heirs, executors, administrators, personal or legal representatives, successors and assigns' have been inserted after each and every designation.

22. Grantor, Grantor's heirs, executors, administrators, personal or legal representatives, successors and assigns further transfers and conveys to Grantee all of the nonagricultural development rights and development credits appurtenant to the lands and Premises described herein. Nothing contained herein shall preclude the conveyance or retention of said rights by the Grantee as may be permitted by the laws of the State of New Jersey in the future. In the event that the law permits the conveyance of said development rights, Grantee agrees to reimburse the Committee (_____) percent of the value of the development rights as determined at the time of the subsequent conveyance.

23. That portion of the net proceeds, representing the value of the land only (and not the value of the improvements), of a condemnation award or other disposition of the Premises following termination of this Deed of Easement, as permitted pursuant to N.J.S.A. 4:1C-11 et seq., P.L. 1983, c.32, shall be distributed among the Grantor and the Grantee in shares in proportion to the fair market value of their interests in the Premises on the date of execution of this Deed of Easement. For this purpose, the Grantee's allocable share of the proceeds shall be the net proceeds multiplied by a fraction, the numerator of which is the fair market value of the development easement as certified by the Committee at the time of the initial acquisition and the denominator of which is the full fair market value of the unrestricted Premises as certified by the Committee at the time of the initial acquisition, which is identified as (_____/_____).

Furthermore, the Grantee's proceeds shall be distributed among the Grantee and the Committee in shares in proportion to their respective cost share grants on the date of execution of this Deed of Easement. The Grantee shall use its share of the proceeds in a manner consistent with the provisions of N.J.S.A. 4:1C-11 et seq., P.L. 1983, c.32.

24. No historic building or structure located on the Premises may be demolished by the grantor or any other person without the prior approval of the State Agriculture Development Committee. Historic building or structure is a building or structure that, as of the date of this Deed of Easement, has been included in the New Jersey Register of Historic Places established pursuant to N.J.S.A. 13:1B-15.128 et seq.

The Grantor signs this Deed of Easement as of the date of the top of the first page. If the Grantor is a corporation, this Deed of Easement is signed and attested to by its proper corporate officers, and its corporate seal, if any, is affixed.

**ATTACHMENT C-1 TO CONTRACT FOR THE SALE OF NONAGRICULTURAL
DEVELOPMENT RIGHTS, DEVELOPMENT CREDITS AND A DEVELOPMENT EASEMENT**

**PROVISIONS TO BE INCLUDED IN THE DEED OF EASEMENT ON
LAND TO BE EXCEPTED FROM STANDARD EASEMENT TERMS**

The following covenants, terms, conditions and restrictions shall apply to all lands which the County has agreed to except/exclude from the standard provisions of the Deed of Easement. This language will be included in the Deed of Easement.

13.1. Grantee has approved Grantor's request that a portion of the Premises not be subject to the terms, conditions and restrictions to be imposed by this Deed of Easement so as to provide for the possible development of _____ [proposed use] . The area of the Premises that will be subject to only the restrictions imposed in this section of this Deed of Easement are referred to in Schedules A and C as the "Excepted Area".

The Grantor, for Grantor and for all persons who succeed to Grantor's interest in the Excepted Area, agrees that use of the Excepted Area shall be subject to the following terms and conditions, which conditions are perpetual and shall run with the land:

- i. Use of an Excepted Area shall not impair, hinder or negatively impact the agricultural use of the Premises. Use of the Excepted Area should be compatible with agricultural use of the Premises.
- ii. A residential unit may only be constructed in an Excepted Area if the Grantee approved the Grantor's request for an exception for this purpose/use. Not more than one residential dwelling unit may be constructed on an Excepted Area.
- iii. An Excepted Area may not be subdivided from the Premises and title to an Excepted Area may not be conveyed independent of a conveyance of title to the Premises (or portion thereof if subdivision of the Premises is approved pursuant to this Deed of Easement). Transfer of title to the Premises shall include title to the Excepted Area.
- iv. No activity on or use of an Excepted Area requiring municipal or State approval including, but not limited to, demolition or construction of a structure or site plan or variance, shall commence unless Grantee has received a copy of the proposed application or request for approval 45-days prior to its filing. Grantee shall have the right to comment on any such application.
- v. No person having an interest in an Excepted Area, whether owner, operator, lessor, lessee, resident or other, shall have any claim against the owner or lessee farmer of the Premises for use of the Premises in accordance with this Deed of Easement.
- vi. Nothing herein is intended nor shall it be construed as exempting Grantor from securing such municipal and building approvals that may be necessary for the construction or demolition of any structures – whether on the Excepted Area or the Premises.
- vii. The Grantee and the Committee shall have the right to enforce these terms and conditions.
