RECYCLING TIPS

- Flatten boxes.
- Remove and throw away Styrofoam and plastic wrap.
- Empty and rinse all containers.
- Do NOT flatten aluminum cans.
- No need to remove any labels.
- Your municipal recycling dropoff is available for overflow.

NO SHREDDED PAPER (EVEN IF BAGGED OR BOXED)

Paper shreds are too small to sort; it just jams equipment and ultimately ends up in the trash.

You can bring it to County Shredder Days or to a special dropoff at the County Resource Recovery Complex.
