

# Home Security Inspections

***For Information or to Schedule a Home Security Inspection, call 609-265-5796***

The Sheriff's Department Senior Services Unit provides *FREE* home security surveys and safety modifications to seniors and persons with disabilities. Our technicians will by appointment come out to a senior's home and conduct a security review and make recommendations on how to better secure their home.

Crime Prevention Specialists are available to give Home Security Workshops and presentations to clubs, churches and various civic and community groups. Many senior associations have taken advantage of this important program.

*Sheriff's Crime Prevention van will come out to a seniors home by appointment to conduct a FREE home security check.*

*Sheriff's Agents Jackie Moore and Joe Parker comprise our department's Home Security Unit*

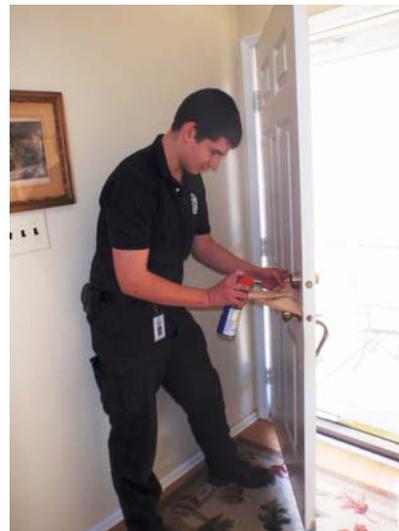

Our specialists will then install at no charge any of the below listed security items and instruct the senior on their use and operation.

- \* ***Free Door & Window Locks***
- \* ***Free Door Viewers (peep holes)***
- \* ***Free Reflective House Numbers***
- \* ***Free Smoke & Carbon Monoxide Detectors***
- \* ***Free Lamp Timers***
- \* ***Free Power Failure Lights***
- \* ***Free Med-Info Packets***

*Sheriff's Agents Joe Parker & Jackie Moore perform various FREE Home Security Inspections for Seniors, and install free equipment such as carbon monoxide detectors, door security bars, special flashing emergency lights to identify a home with an emergency, installation of security door locks, windows locks and peep holes, and much, much more....*

*Just call our Home Security Unit at 609-265-5796 and leave your name and telephone number where you can be reached. A Home Security specialist will contact you to schedule an appointment for your FREE Home Security Inspection.*
