“Feline Frenzy” Adoption Program July 15 – 27 At Burlington County Animal Shelter

The Burlington County Freeholders announce that there will be a “Feline Frenzy” adoption program at the Burlington County Animal Shelter from July 15 until July 27.

During this promotion, adoption fees for cats over 6 months old will only be \$10 instead of \$45. Friends of Burlington County Animal Shelter will be sponsoring the event and subsidizing the rest of the cost.

The County Animal Shelter is located on Pioneer Boulevard off Woodlane Road in Westampton and has many kittens and cats that will be available for adoption at the reduced fee.

"Whether you're looking for a fun, frisky kitten or a mellow, mature cat, you'll find the perfect feline at the shelter," says Burlington County Freeholder Joanne Schwartz. "We encourage people to visit and meet all the great cats we have at the shelter. They're all looking for loving permanent homes."

For more information, call the County Animal Shelter at (609) 265-5073.
