**HEALTH DEPT OFFERS PROGRAM  
FOR MEN SUPPORTING WOMEN WITH CANCER**

**Partners in Survival Program Scheduled for April 17th**

Is there a woman in your life who has cancer? Could you use some guidance in supporting her? Would you like to improve your communication skills in your relationship?

The Partners in Survival workshop will help participating pairs navigate the challenge of a cancer diagnosis by providing tips to men to help manage the challenges you and your partner face including doctor's visits, household responsibilities, children, communication and more. Additionally, men will have the opportunity to talk about the challenge of supporting a loved one through cancer.

The workshop will be held Saturday, April 17, 2010, from 9 AM to 12 Noon, at the Emergency Services Training Center, 53 Academy Drive, Westampton.

The goal of the workshop is to improve the quality of patient survivorship by creating a unique, male-friendly environment that provides men with skills that are practical and easy-to-understand.

The men are invited to bring the woman they are supporting to attend the "Scrap for a Cure" workshop where women will create scrapbooks to document their journeys. A light breakfast will be served. Registration is limited to the first 20 couples. For further information or to register, please contact Holly Cucuzzella at [HFunkhouser@co.burlington.nj.us](mailto:HFunkhouser@co.burlington.nj.us) or 609-265-

5297.
