RE: Delaware River Heritage Trail (DRHT), Route 130 Bypass Project,  
Notice of Construction

Dear Messrs. Sahol and Fitzpatrick:

Recently, the Burlington County Board of Chosen Freeholders awarded a contract for construction of the Delaware River Heritage Trail (DRHT), Route 130 Bypass Project to Richard E. Pierson Construction Co., Inc. of Pilesgrove, New Jersey. The 5.5-mile trail will cross Route 130 at the intersection of Burlington-Bordentown Road (CR 662), continuing off-road through the County's Crystal Lake Park property, on-road through the Village of Hedding, and back off-road along Old York Road (CR 660), turning west on the former Kinkora Railroad right-of-way to a new trailhead at the Roebling Museum in Florence Township.

Work will begin on or about June 20, 2019. Construction should be fully completed in May, 2020.

The general contractor's emergency contact information is attached for your use and review. This and other project information/updates will be posted on the County's website. Under separate cover, we will forward you a link so that you can post it on the Townships' websites as well.

If you have any questions or issues, please do not hesitate to contact me or the other project principals listed below:
