**Description:**

Burlington County is soliciting responses from qualified election printing services firms ("firm or firms"), duly certified by Dominion Voting Systems necessary to the fulfillment of the election printing responsibilities of the County Clerk.

A Contract for Election Printing and Database Coding services will be awarded to the successful firm for the term of January 1, 2023 through December 31, 2023, with a one year option to renew, upon authorization by Resolution of the Board of County Commissioners of the County of Burlington.

**Qualification Requirements:**

To be qualified, the documentation of the following must be provided:

1. A statement regarding ownership of an exclusive printing facility, including address of facility.
2. Certification by Dominion Voting Systems, as a Dominion-certified printer in good standing and fully qualified to print all Image Cast ballot products.
3. Verification of a minimum of 5 years' experience printing Dominion machine ballots. This shall include previous experiences, Counties worked for and services provided.
4. Verification of a minimum of 5 years' experience in election data base coding, testing and election support for Dominion voting machines.

**Resumes demonstrating such experience must be submitted in response to this RFQ for EACH firm proposing to be qualified.**

Each firm must execute and deliver with the response to this RFQ a certification in the form provided stating that the candidate has no conflicts of interest, actual or apparent, that would compromise his/her independence of judgment in the performance of the designated services.

Each firm must comply with the requirements of N.J.S.A. 10:5-31 et seq. and N.J.A.C. 17:27. Each law firm must also comply with the New Jersey Business Registration Act and Statement of Ownership, N.J.S.A. 52:25-24.2. Exhibit A.

**Scope of Work:**

The successful firm shall accept disassociated data (i.e.; federal candidates, congressional candidates, legislative candidates, municipal candidates, district candidates, regional and local school board candidates, municipal clerks, delegate districts, etc.) as provided by the County Clerk's office and create clear, unique ballots for voting machines. This shall include absentee, provisional, emergency and sample ballots that can be programmed, where applicable, for each voting district.

The successful firm shall perform the requirements that follow for all elections, not just the Annual School Election, Primary Election and the General Election, as required by the Burlington County Clerk's Office. The successful firm shall submit prompt itemized statements for the County to use in billing the appropriate parties.

The Dominion voting machine is the voting machine used for elections in Burlington County, New Jersey.

Random Quality Assurance Audits shall be performed on at least one box of printed ballots for each town and ward, to assure that ballots are correctly labeled for the town to which they are intended. Records of those Audits are to be submitted daily to the County Clerk or her designee.

There shall be no subcontracting of the printing of Ballots and post cards (mailers) without prior written approval of the County Clerk so as to best control the work product.

The approved Vendor shall meet at a minimum of every month of the calendar year, with the County Clerk or her designee for the first six months, then bi-weekly thereafter or more frequently, if needed, to review processes, give updates and discuss any issues that are pertinent to the election process. Minutes of those meetings shall be kept.

**Evaluation and Ranking Methodology:**

This RFQ is open to all qualified candidates. The County of Burlington will not discriminate on the basis of gender, race, age, ethnicity, handicap or any other legally protected class.

A review committee will be established within the Solicitor's Office which shall review and evaluate all responses and determine a limited number of best-qualified candidates with which to negotiate. The evaluation will consider:

- a. Qualifications;
- b. Experience in providing the election ballot design and printing services requested and references related thereto;
- c. Ability to perform the tasks in a timely fashion, including staffing and familiarity with the Dominion voting machine and other election systems. The successful firm should provide the County with previous experiences and printing facility capacity to allow the County to properly evaluate this component;
- d. Thoroughness and completeness of the firm's submission.

After negotiations, the review committee will present to the Board of County Commissioners of the County of Burlington a recommendation for an award of Contract for Election Printing and Database Coding Services to be authorized by Resolution of the Board of County Commissioners for the term of January 1, 2023 through December 31, 2023, with a one year option to renew.

**Firms responding to this RFQ must submit three (3) complete copies and 1 USB drive (in PDF format) of their responses, including all necessary documentation no later 3:00 p.m. Tuesday, November 1, 2022 to the Burlington County Solicitor's Office, 49 Rancocas Road, Room 225, P.O. Box 6000, Mount Holly, New Jersey 08060. Responses sent via electronic mail and/or facsimile will not be accepted.**

**Schedule of Fees:** Please provide a standardized Cost Proposal attached as Exhibit B to be considered after qualifications.

The Office of the County Solicitor will provide the form of Contract.

The conduct and performance of the firm pursuant to the Contract awarded through this Request for Qualifications shall be subject to all applicable laws, rules and regulations in the State of New Jersey. The firm shall at all times be regarded as an independent contractor. - a. Statutory Worker's Compensation and Employer's Liability Insurance;

Prior to the effective date of this Agreement, and as a condition precedent to its taking effect, the FIRM shall provide a Certificate of Insurance as verification of the existence of said insurance policies. **All firms shall provide a Certificate of Insurance as verification of the existence of said insurance policies as part of its response to the RFQ. Any questions regarding insurance should be directed to Damon Burke, Risk Manager at (609) 702-7135.

Firms shall agree to the inclusion of the following language in any contract ultimately awarded:

The firm's conduct and performance pursuant to any contract awarded shall be compliant with all applicable laws, rules and regulations in the State of New Jersey. The firm shall at all times be regarded as an independent contractor. Nothing herein shall be construed to create and employer-employee relationship between the Board and the firm.
