

Burlington County Juvenile Detention Center Prison Rape Elimination Act Annual Report 2017

Introduction

The Prison Rape Elimination Act's (PREA) goal is to eliminate sexual victimization, abuse and harassment of persons held in confinement. All confinement facilities under the (PREA) standards must be audited. The PREA Standards were enacted on August 20, 2012.

The Burlington County Juvenile Detention Center (the "BCJDC") is committed to fostering a therapeutic learning environment in which its residents can flourish. The BCJDC began preparing for compliance with PREA before the PREA standards were enacted because of its overriding concern for its residents' safety and security, which includes their sexual safety. The BCJDC is dedicated to complying with PREA through effective programming and training.

To ensure compliance with PREA, the BCJDC has revised its policies and procedures to implement the PREA Juvenile Standards established by the United States Department of Justice. The BCJDC was audited by a United States Department of Justice certified PREA auditor in December 2015 and the final audit report shows that the BCJDC has met or exceeded every standard promulgated to prevent, detect and respond to prison rape. The next PREA audit is scheduled to occur at the BCJDC in December 2018.

The BCJDC collects data on every allegation of sexual abuse and sexual harassment, utilizing the United States Department of Justice Sexual Victimization Juvenile Incident form. Each allegation is reported to the BCJDC Superintendent, and if a criminal investigation is warranted, it is reported to the Burlington County Prosecutor's Office.

At the conclusion of every investigation, the BCJDC conducts a Sexual Abuse Incident Review (SAIR) with a review team composed of the Superintendent of the BCJDC and PREA Coordinator with input from line supervisors, investigators and medical and mental health practitioners. The purpose of the SAIR is to answer certain questions required by PREA (as set forth in 28 C.F.R. 115.386) and, more importantly, to determine if any changes are needed to the BCJDC's

policies or procedures to better prevent, detect and/ or respond to any future incidents or allegations of sexual abuse and sexual harassment.
