The Burlington County Women's Advisory Council is pleased to announce it is seeking nominations for the **Outstanding Women of Burlington County Award**.

Each year, the Council and the Burlington County Board of Chosen Freeholders honor women who have made a difference within the Burlington County community. The Council is looking for women who have made significant contributions as well as having demonstrated their support of women. They may have acted as mentors, role models, or advocates for other women. In short, the Council is looking for those women of achievement who have helped other women achieve their goals.

As a community leader, you may know of an individual who merits special recognition. To be eligible, a nominee must have lived or worked in Burlington County for at least one year. We invite you or your organization to submit a nomination for consideration. Only individual women, not groups, clubs, or organizations will be considered for this award. A nomination form is enclosed.

This year, we will recognize women in the following categories: Mentorship, Volunteerism, Law, Education, Community Service, Corporate Leadership and Diversity/Inclusion.

All nominations must be received by 4:00 p.m. on Monday, April 1, 2019. Award presentations will be made at the annual Outstanding Women of Burlington County Awards Dinner in June.

Nomination forms may be mailed, emailed or hand delivered to:
